

FLY&WING
Glamour
edition | R&D by IVM

Glamour Edition rappresenta la veste esclusiva con cui IVM ha scelto di reinterpretare le collezioni FLY e WING.

Piani in Gres Porcellanato, vero e proprio plus per ambienti naturali e sofisticati. Una "lente di ingrandimento sulla cava" che riproduce fedelmente l'essenza tecnica ed estetica delle superfici da cui trae ispirazione, rivelando piani di alto valore tecnologico. Proposto nella variante CALACATTA - tenue e dalle sfumature delicate (bianco) - o NOIR DESIR - per ambienti più decisi e graffianti (nero). Un vero e proprio spazio progettuale pensato per disegnare - con uno stile originale, affascinante e fuori dagli schemi - l'ufficio contemporaneo.

Glamour edition is IVM's exclusive new interpretation of its FLY and WING collections.

Porcelain stoneware, a unique concept, a real bonus for natural, sophisticated environments. A close-up of the natural stone quarry through a magnifying glass, faithfully reproducing the technical and aesthetic essence of the surfaces that inspire it, to reveal high-tech tops. Two proposals: CALACATTA - soft, delicate hues (white), or NOIR DESIR - for bolder, sharper environments (black). It is nothing short of a true design space, allowing a contemporary office to be created with an original, eye-catching style that stands out from the crowd.

Glamour edition est la déclinaison exclusive avec laquelle IVM a choisi de réinterpréter les collections FLY et WING.

Le grès cérame, une proposition unique, est un véritable atout pour les ambiances naturelles et sophistiquées. Un « gros plan sur la carrière de pierres » qui reproduit fidèlement l'essence technique et esthétique des surfaces dont il s'inspire, en révélant des plans dotés d'une excellente valeur technologique. Modèles CALACATTA - aux nuances ténues et délicates (blanc) - ou NOIR DESIR - pour les ambiances plus marquées et branchées (noir). Un véritable espace de conception pour dessiner - avec un style original, enivrant et non conventionnel - le bureau contemporain.

*"Lo stile è eleganza non stravaganza.
L'importante non è farsi notare, ma ricordare"*

*"Style is elegance, not extravagance.
The important thing is not to be noticed, but
remembered".*

*« Le style est l'élégance, pas l'extravagance.
L'important n'est pas de se faire remarquer, mais
de marquer les esprits ».*

La ricerca dell'esclusività passa attraverso soluzioni che ci ispirano e scelte che ci identificano. Come un dettaglio, un colore, un profumo, anche l'ambiente del nostro ufficio racconta chi siamo. Come un abito cucito addosso dalle abili e sapienti mani del sarto.

Our search for exclusivity leads us to inspiring solutions and choices that we make our own. Just like a detail, a colour, or a fragrance, our office environment also speaks volumes about who we are. Rather like a suit made to measure by a tailor's able, expert hands.

La recherche de l'exclusivité passe par des solutions qui nous inspirent et des choix qui nous identifient. Comme un détail, une couleur, un parfum, l'environnement de notre bureau exprime lui aussi qui nous sommes. Comme un vêtement réalisé par les mains habiles et expertes du tailleur.

*"In bilico tra regole e circostanze, prendo una
pausa dal frastuono e cerco la prospettiva migliore
per guardare l'orizzonte con gli occhi
di chi ha scelto di scegliere"*

*"Negotiating my way between rules
and circumstances, I take a break from
the din and seek the best vantage point for looking
to the horizon with the eyes of someone
who has chosen to choose".*

*« En équilibre entre les règles et les circonstances,
je fais une pause dans le bruit et cherche
la meilleure perspective pour regarder l'horizon
avec les yeux de celui qui a choisi de choisir. »*

Non servono gli eccessi per esprimere la nostra vera personalità.

Basta affidarsi al nostro gusto autentico e straordinario, a quel sapore particolare che sappiamo trasferire nello spazio illuminato e ricco di sfumature che abbiamo scelto per rappresentarci.

Excessiveness isn't needed for us to express our true personality.

We just need to trust our own authentic, inimitable taste, that special flavour we manage to transfer to the bright, richly-nuanced space which we have chosen to represent us.

L'excès n'est pas nécessaire pour exprimer notre véritable personnalité.

Il suffit de compter sur notre goût authentique et extraordinaire, à cette saveur particulière que nous savons transférer dans l'espace éclairé et riche en nuances que nous avons choisi pour nous représenter.

*In questo capitolo:
WING con piano in Gres Porcellanato nella
finitura NOIR DESIR, laccature in BRUNO OLIVA
e boiserie con texture nobilitato VULCANO.*

*"La differenza tra qualcosa di buono
e qualcosa di grande è l'attenzione ai dettagli"*

*"The difference between something good
and something great lies in attention to the details."*

*« La différence entre quelque chose de bien
et quelque chose d'excellent se trouve
dans l'attention accordée aux détails ».*

Luce, calore, dettagli dentro gli spazi. Armonie di forme, linee che disegnano confini dolci e misteriosi.

Light, warmth, details within the spaces. Harmonies of shapes, lines tracing out sweet and mysterious boundaries.

Lumière, chaleur, détails dans les espaces. Harmonies des formes et lignes dessinant des frontières douces et mystérieuses.

Perché essere Glamour è anche libertà d'espressione, curiosità verso il nuovo, reinterpretazione di un nuovo modello di stile.

Because possessing Glamour also means freedom of expression, curiosity about the new, and the reinterpretation of a fresh approach to style.

Parce que Glamour rime également avec liberté d'expression, curiosité envers la nouveauté, réinterprétation d'un nouveau modèle de style.

PIANI SCRIVANIA, ALLUNGO E TAVOLI RIUNIONE

Struttura del piano realizzata in TAMBURATO LIGNEO spessore mm 46, alla quale sono appoggiati i piani in gres porcellanato o in cristallo NO-PRINT 7022 (mm 6 con bordi perimetrali e spigoli smussati).

I piani sono quindi disponibili in:

- GRES PORCELLANATO - finitura opaco nelle due varianti NOIR DESIR e CALACATTA.
- CRISTALLO LACCATO NO-PRINT 7022

Lungo tutto il perimetro dei piani è applicato un PROFILO in ALLUMINIO spessore 3.5 mm con spigoli arrotondati, disponibile nelle FINITURE BRUNO OLIVA, PELTRO, BRILL (liberamente abbinabili alle finiture previste per i piani).

STRUTTURA PIANI SCRIVANIA, ALLUNGO E TAVOLI RIUNIONE

La struttura portante dei piani è costituita da gambe in estruso di alluminio sezione 50x50, disponibile nelle FINITURE BRUNO OLIVA, PELTRO, BRILL. Nella parte superiore è agganciata una piastra a "L" in metallo spessore mm 6 verniciata con polveri epossidiche COLOR SILVER.

WING

PIANI SCRIVANIA

Struttura del piano realizzata in TAMBURATO LIGNEO spessore mm 46, alla quale sono appoggiati i piani in gres porcellanato o in cristallo NO-PRINT 7022 (mm 6 con bordi perimetrali e spigoli smussati).

I piani sono quindi disponibili in:

- GRES PORCELLANATO - finitura opaco nelle due varianti NOIR DESIR e CALACATTA.
- CRISTALLO LACCATO NO-PRINT 7022

Lungo tutto il perimetro dei piani è applicato un PROFILO in ALLUMINIO spessore 3.5 mm con spigoli arrotondati, disponibile nelle FINITURE BRUNO OLIVA, PELTRO, BRILL (liberamente abbinabili alle finiture previste per i piani).

SPALLE SCRIVANIA

La struttura portante dei piani è costituita da SPALLE LACCATE - realizzate in TAMBURATO LIGNEO spessore mm 50 - disponibili in due varianti di colore: PELTRO o BRUNO OLIVA (liberamente abbinabili alle finiture previste per i piani).

PIANI LATERALI DI SERVIZIO ALLA SCRIVANIA

I piani, realizzati in TAMBURATO LIGNEO spessore mm 40, sono disponibili in due varianti di colore: PELTRO o BRUNO OLIVA.

Lungo tutto il perimetro di spalle scrivania e di piano laterale è applicato un PROFILO in ALLUMINIO spessore 3.5 mm con spigoli arrotondati disponibile nelle FINITURE BRUNO OLIVA, PELTRO, BRILL. (liberamente abbinabili alle finiture previste).

ELEMENTI COMUNI

CASSETTIERE SU RUOTE / MOBILI DI SERVIZIO SU RUOTE

Struttura realizzata in conglomerato ligneo spessore 18 mm in finitura LACCATO (PELTRO, BRUNO OLIVA, BIANCO OPACO) con FRONTALI/TOP/SCHIENALE disponibili in:

- PELTRO
- BRUNO OLIVA
- BIANCO OPACO
- NOBILITATO VULCANO

I cassetti sono in legno color Silver con guide quadro a scomparsa dotate di richiamo automatico, a RIENTRO AMMORTIZZATO. La serratura, con chiave in duplice copia dotata di copri-chiave in zama verniciata color alluminio, permette la chiusura simultanea di tutti i cassetti. Le ruote, in plastica color nero diametro 35 mm sono piroettanti. I frontali sono dotati di maniglia a presa continua realizzata in alluminio estruso, disponibile nelle finiture BRUNO OLIVA, PELTRO, BRILL, BIANCO. Nella versione con 'cassetto cancelleria' quest'ultimo è realizzato in mdf sagomato e verniciato in color silver (dotato di guide in metallo).

MOBILI DI SERVIZIO SU RUOTE

Struttura realizzata in conglomerato ligneo spessore 18 mm in finitura LACCATO (PELTRO, BRUNO OLIVA, BIANCO OPACO) con FRONTALI/TOP/SCHIENALE disponibili in:

- PELTRO
- BRUNO OLIVA
- BIANCO OPACO
- NOBILITATO VULCANO

I cassetti sono in legno color Silver con guide quadro a scomparsa dotate di richiamo automatico, a RIENTRO AMMORTIZZATO.

La serratura, con chiave in duplice copia dotata di copri-chiave in zama verniciata color alluminio, permette la chiusura simultanea di tutti i cassetti. Le ruote, in plastica color nero diametro 35 mm sono piroettanti.

Le ante sono dotate di cerniere e basi in metallo. Le ruote, in gomma color silver diametro 60 mm, sono piroettanti e munite di freno.

I frontali sono dotati di maniglia a presa continua realizzata in alluminio estruso, disponibile nelle finiture BRUNO OLIVA, PELTRO, BRILL, BIANCO.

TAVOLI RIUNIONE

PIANI disponibili in:

- GRES PORCELLANATO - finitura opaco nelle due varianti NOIR DESIR e CALACATTA.
- CRISTALLO LACCATO NO-PRINT 7022

Lungo tutto il perimetro dei piani è applicato un PROFILO in ALLUMINIO spessore 3.5 mm con spigoli arrotondati, disponibile nelle FINITURE BRUNO OLIVA, PELTRO, BRILL (liberamente abbinabili alle finiture previste per i piani).

BASAMENTO/FASCIA TECNICA

Basamento e fascia tecnica in LACCATO disponibili nelle finiture:

- LACCATO PELTRO metallizzato
- LACCATO BRUNO OLIVA metallizzato
- LACCATO BIANCO OPACO

ATTENZIONE: LA FINITURA DELLA FASCIA TECNICA SEGUE SEMPRE LA FINITURA DEL BASAMENTO.

Profilo di rifinitura verticale sui quattro angoli del basamento in alluminio disponibile nelle finiture BRUNO OLIVA, PELTRO, BRILL (in abbinamento alla finitura scelta per il profilo del piano).

Tutti i materiali utilizzati sono conformi alle norme UNI EN e sono certificati per il 90% CARB 2 (relativamente all'emissione di formaldeide).

	Resistente a prodotti di pulizia e detersivi
	Resistente a prodotti chimici, acidi, basi e solventi
	Resistente a shock termico
	Resistente al gelo
	Resistente all'umidità
	Resistente ai raggi UV, nessuna alterazione cromatica
	Resistente alla flessione
	Resistente a graffi e abrasioni
	Resistente alle macchie

DESK, RETURN AND MEETING TABLE TOPS

The top structure is made from 46 mm-thick HOLLOW CORE WOOD, which supports the porcelain stoneware or no-print glass tops (6 mm thick, with rounded edges and corners).

The tops are therefore available as follows:

- **PORCELAIN STONWARE** - matte finish in two versions: NOIR DESIR and CALACATTA.
- **NO-PRINT LACQUERED GLASS (7022)**

A 3.5 mm thick ALUMINIUM PROFILE with rounded corners is applied all along the edge, and comes in the following finishes: OLIVE BROWN, PEWTER, BRILL. (can be mixed and matched with the top finishes, as desired).

DESK, RETURN AND MEETING TABLE FRAMEWORK

The framework is formed of extruded aluminium legs (50x50 mm), and comes in the following finishes: OLIVE BROWN, PEWTER, BRILL. A 6 mm-thick, powder-coated (SILVER), "L-shaped" metal plate is secured to the top part.

WING

A 3.5 mm thick ALUMINIUM PROFILE with rounded corners is applied all along the edge, and comes in the following finishes: OLIVE BROWN, PEWTER, BRILL. (can be mixed and matched with the top finishes, as desired).

DESK SIDES

The framework is formed of LACQUERED SIDES made from 50 mm-thick HOLLOW CORE WOOD, available in two colours: PEWTER and OLIVE BROWN (can be mixed and matched with the top finishes, as desired).

DESK RETURNS

The 40 mm-thick HOLLOW CORE WOOD tops are available in two colours: PEWTER and OLIVE BROWN.

A 3.5 mm thick ALUMINIUM PROFILE with rounded corners is applied all along the edge of the desk and return sides, and comes in the following finishes: OLIVE BROWN, PEWTER, BRILL (can be mixed and matched as desired).

ITEMS COMMON TO BOTH

MOBILE DRAWER UNITS / MOBILE PEDESTAL UNITS

Structure made from 18 mm-thick particleboard with LACQUER finish (PEWTER, OLIVE BROWN, MATTE WHITE) and FRONTS/TOP/BACK with the following finishes:

- PEWTER
- OLIVE BROWN
- MATTE WHITE
- VULCANO LAMINATE

The Silver coloured wooden drawers come with concealed Quadro slides fitted with automatic return and SOFT-CLOSING MECHANISM. The lock comes with duplicate keys with aluminium colour coated ZAMAK key cover; all drawers can be locked simultaneously. They are fitted with 35 mm-diameter black plastic swivel castors. The fronts come with an extruded aluminium full-length handle in the following finishes: OLIVE BROWN, PEWTER, BRILL and WHITE. The utility drawer, if present, is made from shaped MDF and is coated in silver (fitted with metal slides).

MOBILE PEDESTAL UNITS

Structure made from 18 mm-thick particleboard with LACQUER finish (PEWTER, OLIVE BROWN, MATTE WHITE) and FRONTS/TOP/BACK with the following finishes:

- PEWTER
- OLIVE BROWN
- MATTE WHITE
- VULCANO LAMINATE

The Silver coloured wooden drawers come with concealed Quadro slides fitted with automatic return and SOFT-CLOSING MECHANISM. The lock comes with duplicate keys with aluminium colour coated ZAMAK key cover; all drawers can be locked simultaneously. They are fitted with 35 mm-diameter black plastic swivel castors. The doors are fitted with metal hinges and bases. The 60 mm-diameter silver rubber castors swivel and have a blocking mechanism. The fronts come with an extruded aluminium full-length handle in the following finishes: OLIVE BROWN, PEWTER, BRILL and WHITE.

MEETING TABLES

TOPS available in:

- **PORCELAIN STONWARE** - matte finish in two versions: NOIR DESIR and CALACATTA.
- **NO-PRINT LACQUERED GLASS (7022)**

A 3.5 mm thick ALUMINIUM PROFILE with rounded corners is applied all along the edge, and comes in the following finishes: OLIVE BROWN, PEWTER, BRILL (can be mixed and matched with the top finishes, as desired).

BASE/CABLE STRIP

LACQUERED base and cable strip available in the following finishes:

- METALLIC PEWTER LACQUER
- METALLIC OLIVE BROWN LACQUER
- MATTE WHITE LACQUER

PLEASE NOTE: THE CABLE STRIP FINISH IS ALWAYS THE SAME AS THE BASE FINISH. Vertical finishing edge on the four corners of the aluminium base comes in the following finishes: OLIVE BROWN, PEWTER, BRILL (matched with the finish selected for the edge of the top).

All materials used comply with UNI EN standards, and 90% of its production is certified to CARB 2 (formaldehyde emissions).

	Resistant to detergents and cleaning products
	Resistant to chemicals, acids, alkalis and solvents
	Resistant to thermal shock
	Frost resistant (freeze-thaw cycle)
	Water resistant
	UV-resistant, no colour fading
	Resistant to bending
	Abrasion and scratch resistant
	Stain resistant
